

Grange Farm Grapevine

Message from Mr Winn!

This week has been Year 6 SATS. The way the pupils have approached these tests has been impressive. Everyone has worked hard, showing all the work and practice they have put in during the weeks leading up to the tests. We will receive the results at the beginning of July, where we all will be able to celebrate their achievements.

Thank you to all of the pupils for their hard work, concentration and positive attitude during the tests, and to all of the staff who have worked alongside the children.

Reminder: Drinks in School

Please ensure that children bring water or squash in their bottles each day. Fizzy drinks and energy drinks are not allowed in school as they are not suitable for a learning environment and can have a negative impact on health and concentration.

Thank you for your support in promoting healthy habits!

KS1 Readers of the Week

1R

For learning all set 1 and 2 sounds and watching phonics videos at home, well

1F

For super effort in all phonics and applying reading to other subjects.

2F

For moving up another level in reading.

2G

For trying really hard with her reading and reading for pleasure!

14 children have attended the Design and Technology afterschool club and have been working very hard to build an electric moving vehicle. We were very lucky to have been supported by Schneider Electric. Three children attended the Primary Engineer Celebration Day at Leeds Beckett University. Out of 30 attendees from across the whole Leeds, Amelia's build performed the best and won the 'Best Engineer' prize. Grange Farm Primary School is very proud of her!! Congratulations Amelia.

WonderDome

Last week Nursery, Reception, Year 1 and Year 5 had a visit from WonderDome to give us an immersive experience about the science of space. We really enjoyed all the presentations they had to show us.

Friday 16th May 2025
