

Grange Farm Grapevine

Happy New Year

From everyone at Grange Farm!

Message from Mr Winn

Thank you for your patience and support this week. It has been a challenge, and the issues with running water on Thursday was an added difficulty, but by working together we have managed to get the school open. A massive thanks to Mrs Wright, Mrs Norford and Mrs Hinds for clearing the site on Monday and Tuesday, and Mrs Hemingway for keeping everyone updated with what was happening. All of the children and staff have been amazing this week and I would like to thank them all.

The weather forecast indicates that we are very likely to still have a significant amount of frozen snow and ice on site at the beginning of next week, so we are probably going to have to continue with only using the gate on Barncroft Rise at the start of next week. As soon as we can get the back gate cleared we will, and then open as usual.

Take care and stay warm over the weekend and thank you all again for your understanding.

PSHE

During this term, your child will take part in Relationships and Health Education lessons, designed to equip them with the knowledge and skills needed to make safe, healthy, and positive decisions both now and in the future. These lessons form an integral part of our PSHE (Personal, Social, Health, and Economic) curriculum and are tailored to support your child's overall development and well-being. There will be a meeting in 5S on Tuesday 14th January for parents with children in Years 4 - 6 at 4pm to share the outline of the curriculum, share resources and answer any questions you may have. Your child will come home with a letter explaining this more and what each year group will be covering this half term. If you have any other questions about this part of the curriculum, please email: admin.manager@grangefarm.leeds.sch.uk and we will answer your email.

Keeping pupil information up to date

A reminder that it is your responsibility to inform school of any changes to the records we hold about your child. This enables us to contact you in an emergency, as well as share vital information about your child and what is going on in school each week. This includes changes to email, contact telephone number, medical information, special dietary requirements, etc.

A polite reminder to all parents and carers:

Please respect our neighbours and help us to safeguard your children by parking legally when dropping off and collecting pupils. This includes not blocking paths and driveways or parking in front of the school gates or on double yellow lines.

Friday 10th January 2025
