Children in Need

Well done to all our pupils who participated in dressing up in spots and Pudsey Bear ears for Children in Need.

Due to your generosity we raised a total of £97.76 for the charity!

Teeth Challenge

Over the next couple of weeks, the children from Early Years to Year 4 will be looking at the importance of oral health. We are learning how to keep our teeth healthy and why this is so important. The children will bring home a new toothbrush, mini toothpaste and a leaflet including a chart to record brushing their teeth. Please encourage your child to complete their chart and return it to their teacher for a certificate!

Please find attached some useful information about oral health.

Nursery

Nursery have been working really hard, using lots of different 'Funky Finger' activities to develop our fine motor coordination and finger strength. This week it was fantastic to see so many of our family members join us to explore these activities with the children.

Thank you so much for coming!

Mobile phones and e-safety

As you know, an important part of our curriculum is teaching pupils about e-safety. We know that a lot of our pupils spend a lot of their time online, either through online gaming or on social media apps. This can sometimes lead to contact with inappropriate people and/or exposure to inappropriate language.

We strongly recommend that you monitor your children's usage of the internet and that you are aware of what they are doing online.

Please see social media app age ratings below.

Reception Places September 2025

Is your child due to start Primary School in 2025? Applications are open and you can apply online until 15th January 2025.

Please note that attending the Nursery at Grange Farm Primary School does not automatically guarantee your child a place in Reception. You must apply before the deadline.

Please make sure you label ALL of your children's clothes with their name and class. As it is now becoming a great deal colder we are finding gloves, scarves, jumpers and coats around the school which are lost as we don't know who they belong to.

If your child is unable to attend school due to sickness or any other reason, please telephone: 01132930120 (option 1) or Text: 07624811850 **before 9:30am.**
