Friday 10th October 2025

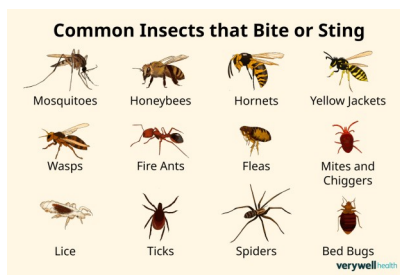

On Tuesday Year 6 visited Bishop Young Academy to take part in a Spanish workshop. The activities included Spanish food-tasting, maths in Spanish, singing and practising Spanish conversation.

This week in school we have all been learning about first aid. Each class has had a different focus and we have used our circle sessions this week to discuss what we would do in different situations, what is first aid and what would be an emergency and accident. Members of staff have been really impressed with how much the children already knew and what they remembered from last year.

Year 3 really enjoyed playing charades to act out an animal, and the children had to decide which animal it was and whether it would sting or bite. They were also very good at role play when learning how to deal with a sting or bite. They knew exactly what to do. Well done!
