Year 3 visit to the Synagogue

This week, Year 3 went to visit a Synagogue in Roundhay. The children showed exemplary behaviour, asking thoughtful questions and showing their respect to the Jewish faith. We were all very proud of how they represented our school. Well done Year 3!

Activity pack

Trans Pennine Trail have a free activity pack for you to download. The pack is filled with fun nature-themed activities, including an i-Spy challenge, planting seeds, recipes and puzzles for families to enjoy during the holiday. It's a great way to inspire children to get creative, explore the outdoors, and learn more about the outdoors and the Trans Pennine Trail. The packs are ideal for Key Stage 1 and 2, but there's something for everyone. Just go to the children's page at [Welcome to our Children's Page | Trans Pennine Trail](#).

This activity pack inspires kids to discover spring wildlife, get creative, and enjoy the magic of the outdoors. The activity pack can be used 'on the go' by downloading it to a mobile or it can be printed at home.

We want you

Are you struggling to get your child to see a dentist?
Do you think they can sit on a dental chair and accept dental treatment?
Are they between 5 and 14 years old?

We are currently introducing a scheme in which we accept parental referrals for children to receive a course of treatment at the Leeds Dental Institute. This means that we are able to offer appointments to children on a first-come first-served basis.

The Leeds Dental Institute (LDI) Student Clinic is a teaching unit which aims to provide the best possible care for our patients. Our students provide patient care appropriate to their level of training and experience and are closely supervised by registered dental professionals who are teaching staff for the School of Dentistry, University of Leeds.

This scheme is not intended to provide emergency dental care for your child. If your child is experiencing dental pain, you should look up urgent care services that provide dental treatment or contact NHS 111. Leeds University Dental Students would not replace your General Dental Practitioner. Your child will be discharged after the completion of a course of treatment.

Appointments are **Monday-Friday in term time**. Treatment is scheduled around University holidays, exams and other student commitments. Missed appointments without prior notification may lead to your child being discharged from the care of University of Leeds Dental Students.

Scan this QR code to access our referral form. Once completed, email it to: leedsth-tr.dentpaedvolunteersnhs.net

Please read the leaflet and follow the QR code or fill in the form attached.

Parking outside school

On Thursday morning the wagon drivers were unable to access school to collect the waste because two vehicles were blocking the main entrance to school—see their photo evidence. The potential consequences of this could have been much worse had it been the emergency services! Please help us to safeguard **your** children by parking where it is safe and legal to do so. The school gates should **never** be blocked. Thank you.

If your child is unable to attend school due to sickness or any other reason, please telephone: 01132930120 (option 1) or Text: 07624811850 **before 9:30am**.
