

Grange Farm Grapevine

Message from Mr Winn

As we arrive at the end of the school year it is time to say good bye and thank you to the staff who will be leaving us. We say goodbye to Mr Gooch, from Year1, he will be moving on and will be missed, having worked tirelessly to help pupils to develop and access their learning.

Mrs Boparai is moving on to another school to be closer to home, her dedication and support for the children in her class, and across the school, has allowed them to make fantastic progress both academically and pastorally. We wish her the very best at her new school.

After over 20 years at Grange Farm, Mrs Norford has made the decision to move on to another school. Over the years she has supported a vast number of pupils and staff, helped each individually to develop and be ready for their next step. Mrs Norford, you will be missed and we wish you the very best of luck in your new position.

It has been another busy, successful year. The children have worked hard and enjoyed numerous learning activities and experiences. None of this would be possible without the hard work of the staff, to all of which I would like to offer my thanks.

Thank you for your support throughout the year. Have a great holiday, take care, stay safe and ENJOY. We will see you ready for next year on Thursday 3rd September.

Neil

She told us that watermelon is the best fruit to have if you are thirsty. The children got to try lots of different types of berries and other fruits. They were delicious!
