Grange Farm Grapevine

Parent Voice

We are going to start using short surveys to gather parent voice. Results will be discussed at leadership meetings to help us make informed decisions about various aspects of school life. This week's theme is homework. We would really appreciate as many parents as possible taking part. If you have children in multiple year groups, you can retake the survey to reflect your opinions for each child.

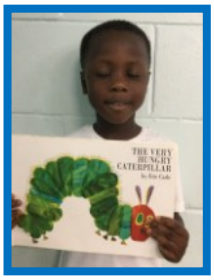

Thank you for your support!

This week, MindMate Support have visited us in school. We had an assembly on 'Big Emotions' and the children were very good at naming lots of different emotions. We then had workshops in our classes where we moved onto talking about how our body feels when we are experiencing some of these emotions and what we can do. We also talked about how these emotions can help us in positive and negative ways.
