Grange Farm Grapevine

Have your say.

Parent Voice - Home Reading (Please answer to be entered into the prize draw)

Reading is the single most important way in which families can support their child's education. 10-20 minutes a day of home reading will:

Improve your child's focus and attention

Expand their vocabulary

Give your child greater academic success in a range of subjects

If your child is young, or has a particular difficulty with reading, remember that reading to them is just as important.

Lunchtime stars of the week!
