

Geography - Long Term Plan 25/26

Year Group	Block 1	Block 2	Block 3	Block 4	Block 5	Block 6
Foundation	Looking at our immediate environment. Where do we go to school? Where do we live?	Kapow – Outdoor adventures to be completed within outdoor provision/forest school.	Different languages around the world. Looking at the world map.	Looking at the area we live in. Where is Leeds on a map? What country do we live in? What is in Leeds? (Kapow – Around the world to be lightly used within planning)	World map – Where do we live on the map? Where are we all from? Where are the stories we have red originated from?	Human effects on the world – pollution Features on a map – Pirate maps (Kapow – Exploring maps to be incorporated)
Year 1	Looking at countries and cities that map up the UK - What is the weather like in the UK?		Recognising continents, oceans and countries outside the UK. - What is it like to live in Shanghai?			
Year 2	Hot and cold climates - Would you prefer to live in a hot or cold place?					Naming and locating continents and oceans of the world - What is it like to be by the coast?
Year 3			Volcanoes - Why do people live near volcanoes?			Different settlements - Are all settlements the same?
Year 4			Rivers - What are rivers and how are they used?			Distribution of world's biomes and mapping food imports from around the world - Where does our food come from?
Year 5	Climate of mountain ranges - Life in the Alps		Importance of our oceans -Why do oceans matter?			
Year 6			Renewable and Non-renewable sources - Where does our energy come from?			Fieldwork enquiry - Can I carry out an independent fieldwork enquiry?
